Figure 3: Comparison of STEM accredited programmes to that of Scial sciences.

Figure 4: Distribution of Graduands in the STEM and Scial Science Programmes.

Figure 5: Comparison of the number of graduands for the last three graduation Ceremonies..

Figures 1 -5 shows the distribution of graduands in various programmes / fields, Schools and Colleges. It is strongly evidenced, that there is a steady growth in the number of graduands for the last three years. Graduands of STEM programmes are 35% of the total graduands. However STEM programmes at the University are 72% of the total number of accredited programmes of the Masinde Muliro University of Science and Technology (MMUST).
