

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY

VICE CHANCELLOR'S ROUND UP FOR THE WEEK ENDING

FRIDAY, 26TH AUGUST, 2022

- Masinde Muliro University of Science and Technology (MMUST) has provided top-notch service delivery during the admission of the 2022/2023 first year students. The student admission exercise, which began on 25th August, 2022, took place across all our campuses. All the Schools and Departments in the University received support from the Customer Care Centre, the Finance department as well as the Office of the Dean of students to provide swift and effective service delivery to the students.
- MMUST has had the opportunity to showcase its entrepreneurial acumen during the recent first years' admission exercise which took place on Thursday, 25th August, 2022. The freshmen and women were treated to nutritious and delicious MMUST-made yoghurt which was going at an affordable price of Kshs. 100 for 500ml and Kshs. 50 for 250ml. The yoghurt, a side product of cheese making, is part of a bigger project funded by the University. The Principal Investigator of this project titled *'Development, Production and Marketing of MMUST Cheese'* is Dr. Mario Kollenberg from the Department of Biological Sciences. The main objective of the project is to explore the Microbiology of milk processing bacteria and fungi as well as to supply the community with new food products.
- The Vice Chancellor has today 26th August 2022, inspected the ongoing projects at the University. The VC commenced his inspection with the footbridge connecting to **Hall Four (4)** students' residence, Engineering and TVET Complex and the Olympic size swimming pool. While inspecting the projects, he commended the projects' supervisors for the work done. He instructed the Estate Manager to continue improving the beauty of the University by planting more flowers and trees to keep our environment more serene. He further directed that more parking space be created, to avoid dangerous and disorganised parking within the University.

I wish you a blessed weekend!

Prof. Solomon Shibairo
