ETHICAL DILEMMA OF THE WEEK — WEEK 5

You are using a University vehicle for official duty. A close friend asks you to use it on the way back to help move household goods. It is only a short detour.

What would you do, and why?

Share your response via the form at **mmust.ac.ke/integrity** by Friday 4 December. The best responses will be recognised on Integrity Day, 9 December 2026. Entries are judged without names, on reasoning, practicality and alignment with University values.
