

Application for government funding simplified

Deadline for application: August 27th 2023

Note: Scholarship is open to students with or without IDs

You need to open a bank account

Procedure

Step 1: Visit the higher education funding website: hef.co.ke

Step 2: Once on this site, find 2023-2024 new funding application

Step 3: Click on apply now (this directs you to the application portal)

Step 4: Follow the procedure (it will ask if you have an ID or not)

Step 5: Register

Step 6: An activation link will be sent to an e-mail you provided (ensure you provide an active e-mail address)

Step 7: Log in to you e mail after activation and fill in your profile and other details

Step 8: Verify the information

Step 9: Submit (you have successfully applied for government scholarship)

Note: You will be prompted to HELB website.

By clicking yes, you will be asked for guarantor details and other information. Provide these and send the application.
