

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY

VICE CHANCELLOR'S ROUND UP FOR THE WEEK ENDING FRIDAY, 22ND OCTOBER, 2021

- Led by the Equity Bank Manager Kakamega Branch Mr. Peter Akwoyo, the Director Marketing/ Public Sector and Institution manager Mr. David Nyamu visited the University on Tuesday October 19, 2021.
- The Vice Chancellor of Masinde Muliro University of Science and Technology, Prof. Solomon Shibairo officially opened a research dissemination workshop themed '*Union- management partnership in the efficient operation of the University*' on Tuesday 19th October 2021 at the Bishop Stam Pastoral Centre, Kakamega County. The workshop gave a raft of recommendations which the University intends to implement.
- The candidates who appealed and were shortlisted for Grade 8 and 9 were interviewed on 21st October 2021.
- A team from the State Department for Planning, National Treasury and Planning, paid a visit to the MMUST's Science Park Innovation and Incubation Centre (SPIIC), yesterday, 21st October 2021. This was aimed at taking stock of the Science and Technology parks in Kenya and updating the Science, Technology and Innovations ecosystem database.
- The Internal Evaluation of MMUST'S Performance Contract FY 2020/2021 was carried out today, Friday 22nd October 2021.
- MMUST is a beneficiary of workplace equipment from the Centre for International Migration (CIM) given to the University courtesy of Mr. Willis Awandu who is a Tutorial Fellow in the Department of Civil and Structural Engineering. Mr. Awandu is an alumnus of the University of Stuttgart -Germany and a returning expert member of CIM. The donation was presented to the University by the CIM coordinator for Kenya Ms. Cynthia Kamau. This donation by CIM through the Program Migration and Development, has been funded by Gesellschaft für Internationale Zusammenarbeit (GIZ) and is meant for use in his research and teaching. The equipment will be available for use by the staff and students undertaking water related courses and research in the Department.

I wish you a blessed weekend!

Prof. Solomon Shibairo
Vice Chancellor
