

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY  
VICE CHANCELLOR'S ROUND UP FOR THE WEEK ENDING,  
FRIDAY, 9<sup>TH</sup> SEPTEMBER, 2022.

---

- Masinde Muliro University of Science and Technology (MMUST) and Malteser International (MI) have begun the implementation of 'Upesi Health Programme' which involves refurbishing and equipping of MMUST's high fidelity simulated laboratory. On Wednesday 7th September, 2022, a team from MI led by the Country Coordinator, Mr. Martin Schoenburg, paid a courtesy call to the Vice Chancellor (VC) to discuss the modalities of refurbishing and equipping. The event whose key drivers are the Health Program Manager, Kenya-Malteser International, Ms. Joy China and the Project President at MMUST, Dr. Tecla Sum, took place at the VC's Office.
- MMUST African Women in Science and Engineering (AWSE) have stepped up efforts to keep girls in school through provision of free sanitary towels. On 7th September, 2022, the team of scholars led by Prof. Elizabeth Omukunda, Dr. Rose Opiyo and Dr. Frida Njeru visited Amalemba and Kakamega Primary Schools with the aim of encouraging the girls and donating the sanitary towels. This outreach activity is part of the AWSE initiative to support the girl child in Kakamega County.

I wish you a blessed weekend!
