

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY
VICE CHANCELLOR'S ROUND UP FOR THE WEEK ENDING,
FRIDAY, 22ND APRIL 2022.

- The Aids Control, Gender and Disability Mainstreaming Unit (ACGDMU), conducted a peer educators training at Golf Hotel. The training was aimed at enhancing staff peer education programs at MMUST. The three-day training, which kicked off on 20th April 2022, was graced by the Vice Chancellor, Prof. Solomon Shibairo who noted that the training will improve peer educators' expertise in providing moral guidance to our students.
- Masinde Muliro University of Science and Technology, through the Directorate of Career Services, led by Dr. Teresa Okoth, has organized a retreat for the MMUST Alumni Association (MMUSTAA), at Mombasa Beach Hotel. The retreat is aimed at discussing the Alumni work plan, preparation of MMUSTAA strategic plan and next steps that will enable election of office bearers.

This important exercise, that kicked off on Thursday 21st April 2022, was graced by the University Chancellor, Dr. Peter Wanyaga Muthoka, University Council members led by the Chairperson, Dr. Musangi Mutua, the Vice Chancellor, Prof. Solomon Shibairo as well as the MMUSTAA executive and technical committees. The deliberations will go on up to Saturday, 23rd April, 2022.

- Yesterday, 21st April 2022, MMUST researcher, Dr. Rose Opiyo conducted a Training of Trainers workshop for sustainability of the established IHELP centres in Ikolomani Sub-County. Associate Dean School of Education, Prof. Kennedy Bota, officially opened the two-day event, which continues today at the Idakho Central Centre. This training will equip the caregivers with diverse skills in responsive care giving and income generation activities to ensure sustainability of the project.

I wish you a blessed weekend!
