

MASINDE MULIRO UNIVERSITY OF SCIENCE AND TECHNOLOGY

VICE CHANCELLOR'S ROUND UP FOR THE WEEK ENDING, FRIDAY, 28TH JANUARY 2022.

- MMUST'S renowned Professor of Environmental Chemistry and Toxicology, Prof. Francis Orata Omoto on Saturday 22nd January 2022 and Friday, 28th January 2022, led a team of intellectuals from the University's Department of Pure and Applied Chemistry in an advocacy mission for rural girls' enrolment in chemical sciences careers. The events were held at the Sacred Heart Mukumu Girls and Indangalasia Secondary Schools in Kakamega during the Chemistry celebrations Day dubbed the 'Chemistry Day'.
- The Office of Dean of Students on 24th January 2022, held its first ever Club Awareness Day at the Main Catering Unit (MCU) Hall to showcase different clubs and associations that promote student engagements in the University.
- On 25th January, 2022, Masinde Muliro University of Science and Technology (MMUST) launched an Alcohol and Drug Abuse Baseline Survey at the University in partnership with National Authority for the Campaign Against Alcohol and Drug Abuse (NACADA). The event themed '*Ushindi dhidi ya Madawa za Kulevya*' took place at the University's Main Catering Unit (MCU 002) and will run for a period of two weeks from 25th January 2022 to 8th February 2022.
- Masinde Muliro University of Science and Technology has set plans in motion to introduce organic farming of groundnuts in Western Kenya through development of a short course for farmers. This was part of the discourse steered by retired Professor of Agriculture, Eberswalde University for Sustainable Development, Prof. Hars-Peter Piorr on Tuesday 25th January while at MMUST.
- MMUST marked Pension Week from Wednesday 26th to Friday 28th January 2022. This will culminate into an Annual General Meeting (AGM) which will be held on Saturday, 29th January 2022 at MCU 002.

I wish you a blessed weekend ahead!

Prof. Solomon Shibairo

Vice Chancellor
