Dr Ruth Simiyu

Dr Ruth Simiyu is a Senior Lecturer in the Department of Peace and Conflict Studies at the School of Disaster Management and Humanitarian Assistance (SDMHA). She holds a doctorate and MSc. degree in Disaster Management and Humanitarian Assistance. Her Bachelors degree is in Education (Home Economics). She is a Disaster Management Expert with her research focusing on sustainable humanitarian assistance with the aim of i) Capacity building through training, counselling, advocacy and awareness creation at the same time engendering interventions to reduce vulnerabilities in the communities. ii) Societal behaviour change in communities by examining lifestyle changes, particularly in local/indigenous knowledge and practices, drug and substance abuse, risky sexual behaviour, gender based violence, mental health, food security, child development and societal conflicts). Her major scholarly contribution has been through research resolutions made at the NACADA conferences on management of drug and Substance abuse in Kenya. She currently serves as the Departmental chairperson of the Postgraduate Committee in the Department of Peace and conflict Studies).

A BRIEF PROFILE ABOUT MYSELF

Ruth is a PhD and M Sc. holder in Disaster Management and Humanitarian Assistance from MMUST. Her Bachelors degree is in Education (Home Economics) from Nairobi University (Kenyatta University College). Currently she is a Senior Lecturer in the Department of Peace & Conflict Studies at the School of Disaster Management and Humanitarian Assistance (SDMHA) at MMUST. As a teacher and Head of department in secondary schools, she taught and participated in Science Congress, clubs & societies in areas of Home Science which

covers Public Health & Environmental Issues, Foods & Nutrition, First Aid, and Home Management among others. At the university she has mentored young people in scholarly works including providing leadership and guidance in terms of teaching, supervision, research, examining, and other areas of in life such as behavior change and leadership. She has also been actively involved in community work both at the university and outside the university.

Her career objective as a disaster risk manager, educator, and home management specialist is to empower individuals, households, communities and humanity in general through awareness creation on risk management of societal issues related to social cohesion, integration and behavior change for the purpose of enhancing their socio-economic status, thus reduce vulnerability to disasters. It is by working passionately in this area that national and international standards of humanity (SDGs) can be achieved.

EXPERTISE

-A disaster risk management expert in the area of Disaster Risk Reduction, Emergency Management and Humanitarian Assistance.

RESERCH INTERESTS

Ruth is a Disaster Risk Management Expert focusing on research in sustainable humanitarian assistance in the following areas:

- i) Establishing societal baseline surveys with the aim of capacity building through training, counselling, advocacy and awareness creation at the same time engendering interventions to reduce vulnerabilities in the communities.
- ii) Examining Societal behaviour change in communities particularly in: Lifestyle changes, local/indigenous knowledge and practices, drug and substance abuse, risky sexual behavior/promiscuity, gender based violence, mental health, food security, child development and societal conflicts).
